

To identify causes of Attrition and solutions to improve Retention

Attrition has become a major HR challenge, especially in Advertising Agencies, E –Commerce, I.T., Telecom and many other companies.

We conduct Attrition Survey by conducting Qualitative Research with the candidates who have left the company.

We provide the causes of attrition to the company concerned and also the solutions that can improve Retention.

We have done this work for Abbott Healthcare Ltd, B Braun Medical (I) Ltd, TCS etc
